OUR FUN FAIR—SCOUTING'S BIGGEST SHOW!

Lunch-O-Ree Aims For \$25,000

The sum of \$25,000 is the goal as the construction industry helps Scouting at its \$25-a-ticket Construction Industry Lunch-O-Ree, scheduled for April 24 in the Grand Ballroom of the Conrad Hilton Hotel.

A. L. Jackson, Sr.

A thousand contractors, architects and businessmen in related fields will gather to honor **Archer L. Jackson, Sr.**, president of A. L. Jackson Company, general contractors. Mr. Jackson will receive the "Good Scout" award, presented each year at the Lunch-O-Ree to an outstanding representative of the construction industry.

Nine Districts Reach Achievement Goals

Nine of the Council's districts have reached their goals in enrolling units in Phase Two of the "Do Your Best for America" Achievement Program, according to Scout Commissioner **Allen W. Mathis, Jr.** The districts are Calumet, Forest, Lincoln Park, Marquette, Midwest, Portage, Stockyard, Trailblazer and Tri-Ridge.

And as we went to press two of these districts, Portage and Marquette, have 100% of their total units enrolled in the program!

To date more than a thousand of the Council's almost 1,900 units have enrolled in Phase Two. An achievement in itself, but nothing like the achievements each of these units will make in improving Scouting for its boys.

For full details on the unit inspection part of the Achievement Program, see elsewhere in this issue of the COUNCILER.

July 17-23, 1964

Headlined are the dates of the Sixth National Jamboree, to be held at Valley Forge, Pennsylvania.

This is only a preliminary announcement as you can imagine, but why not start thinking about attending? More information later.

Wishing Is Not Camping...

Neither is putting off registering your troop or post for a week or two at one of the Council's summer camps.

Owasippe Scout Reservation occupies 10,500 acres of Michigan woodlands that needs Scouts to make its summer a success, and closer to the city is Camp Kiwanis, just south of Willow Springs, Illinois, where camping is just as much fun, with the wide open spaces a bit less wide.

Different plans are available for attending camp, depending on your troop's equipment, leadership and interests. It's all explained in the "Manual of Camping Information," available from your district camping chairman or the Camping Service, 782-3990.

Why not get away from all that hot concrete this summer?

Scouts know how.

Showando Stresses Scouting Skills

Can you tie a taut-line hitch? Send "hello" in Morse code? Make a tent peg? Lash a diamond-hitch pack frame?

You'll learn how at the **Showando**.

The Chicago Area Council's Showando, the first one ever on a Council-wide scale, will bring together and teach you the Scouting skills your boys expect you to know. And you learn by doing: Showando instructors will **show**, and then you'll **do**.

The Showando will be held May 4, at the Council's Valley View Training Center, 6240 S. County Line Road in Hinsdale. April 19 is the deadline for registering for this exciting training event. Will leaders from **your** troop be there?

WOW! All this for selling tickets to the Scout Fun Fair. Your Scouts won't be quite this loaded down by their prizes, but they can win almost this much, and your unit treasury gets 25% of every ticket sold to boot.

Booth, Arena Shows To Fill Amphitheatre May 17-19

Just over a month away is the Council's gigantic Scout Fun Fair, which will fill the International Amphitheatre to overflowing with busy Scouts, proud parents and appreciative friends of Scouting. According to **John G. Sevcik**, Fair chairman, over a thousand booths manned by 20,000 Scouts will be inspected by almost 200,000 visitors, as Scouts do their stuff for the people of Chicagoland.

Along with booth displays of the skills of each unit, a special feature of the Fun Fair will be the arena show, an action-packed spectacular with all the excitement of a circus!

A few Scout units are still needed to fill out the arena show, so if your unit has any of the following skills (or others), why not sign up now?

Indian Dances

Scouting units and Order of the Arrow chapters will stage authentic Indian dances in the arena Friday at 9:00 p.m. and Saturday at 9:15 p.m.

Scoutcraft and Pioneering

This feature will occupy the arena on Saturday from 3:00 to 4:00 p.m. Troops and posts will build signal towers and monkey bridges, demonstrate other pioneering skills, and also set up field kitchens and demonstrate special camping gear.

Gymkhana

Designed to demonstrate Sea Explorer skills, the Gymkhana will be held in the arena area Saturday evening at 7:00 p.m. Sea Explorers will demonstrate knot tying, the rope toss, inspection and drill, navigation and signaling.

Other special events at the Fun Fair will include the Cub Carnival, where Cubs will perform before audiences of 1,000 persons, the Explorer Olympics and the Obstacle course.

All these special shows are in addition to the thousand booth shows at the Fun Fair, all manned by Scouts, and all with our best foot forward.

Here's just the chance to show off your unit's specialty!

ROUNDTABLES

Cub leaders will have the May theme, "Cub Scout Circus" presented by some of our fine packs. This is a very interesting theme and can be presented by almost any size of pack.

Let's all be present to receive new ideas and enjoy the fun this theme brings.

The Boy Scout theme for May is "Ropes and Spars," and the high light for the month is "Camporee," so we will complete details for our camporee which will take place on June 7, 8 and 9 at Yorkville, at which the Cub Packs will be invited to visit.

The Explorer leaders have some future plans to discuss.

DISTRICT MEETING

This is the meeting where we will have the election of officers for the coming year, therefore all institutional representatives and members-at-large should be present. The installation of officers will take place at recognition dinner in May.

We hope the above-mentioned men will mail in the ballots they received.

Here's 2,156 pennies we saved for two COMPLETE uniforms.

DISTRICT ANNUAL MEETING AND DINNER

Bryn Mawr Community Church will be the location for our "surging" South Shore District Annual Meeting and Recognition Dinner on Tuesday, May 21. Byron Hess and Carl Olson, co-chairmen for the dinner are securing a special speaker for the occasion (To be announced in the next issue of the COUNCILER).

SUMMER CAMP

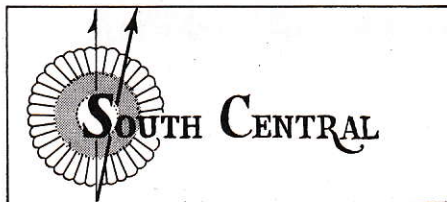

Yes, it's fun to be a Boy Scout! It's fun to go hiking and camping with your best friends... to swim, to dive, to paddle a canoe, to wield an axe... to stare into the glowing embers of a campfire and dream—these words from the pages of the Boy Scout Handbook appear as a promise of things to come. Yes, it's fun to be a Boy Scout, and the fun and adventure can come true to your Boy Scouts this summer at one of our Chicago Area Council summer camps. It's still not too late to make a boy's dream come true — register him now. Just \$5.00 registration fee now, details available from camping chairman Bert Brandelle or at the Council Service Center.

SCOUT FUN FAIR

In four weeks the biggest demonstration of boy power in Chicagoland will be unleashed at the International Amphitheatre as the 1963 Scout Fun Fair opens. Let's tell the people our Scouting story — get them to see the Fair — sell them a ticket to the Fair. P.S. Your unit can add to its treasury and your boys can earn prizes with these sales.

KNOW YOUR DISTRICT

Did you know that the "surging" South Shore District has 30 different churches and synagogues as sponsoring institutions for our 64 packs, troops, posts and ships?

Q.—How can we participate in the opening ceremony and the special features?

Two Scouts from every unit will carry the American flag and unit flag in the opening ceremony. Requests for special features such as Cub Carnival, arena show, etc., should be made directly to your district Scout executive.

Q.—Are open fires permissible?

No. Only charcoal fires are permitted with a box of sand or sheet of thick asbestos on floor underneath charcoal stoves and extending a foot around all four sides of stoves. At least four fire buckets, No. 10 cans, should be in booth filled with water, painted red and lettered FIRE.

Q.—Can we use liquid fire starters?

NO. Make your own. Newspapers, rolled tightly about 2" thick, wrapped in string spaced four inches apart, cut between string, dipped in melted paraffin until soaked and dried, make excellent fire starters—or cut up milk cartons.

Q.—We have a triple booth. How many tables and chairs will we receive?

One table and two chairs will be allotted each unit. Additional tables and chairs may be rented at approximately \$2.00 for each table and two chairs, or may be brought in by the unit.

Q.—Will the Amphitheatre be guarded?

Yes. However, to be safe, units should remove valuable items at close of each performance and return them for following performances. BOOTHS MUST BE OCCUPIED BY UNIT PERSONNEL THROUGHOUT THE HOURS OF THE FAIR. This protects booth contents during the hours of the Fair.

Q.—May we participate by having a booth as well as a part in the arena show or Cub Carnival?

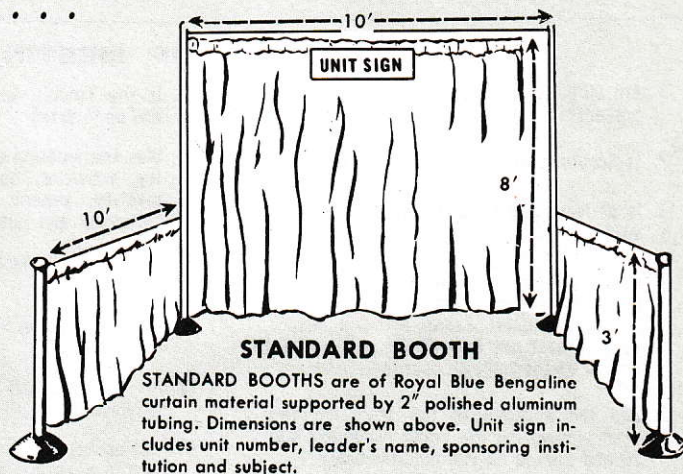

Yes—provided your unit has enough personnel and skills.

Q.—Who buys tickets—who is admitted free?

All adults purchase tickets. Scouts in uniform and children under 16 when accompanied by their parents will be admitted free.

Q.—How do we get participants' passes?

Participating Cubs-Scouts-Explorers in uniform will be admitted free. Two exchangeable passes for each participating unit will be made available to leaders charged with the responsibility of setting up booths.

Along the Scouting Trail

By ALDEN G. BARBER

By the time you read this the sign-up for the Scout Fun Fair will be nearly complete, but there is still time for your unit to decide to enter a booth. I urge you to act now if your sign-up card is not in.

Every pack, troop or post not represented by a booth in the Scout Fun Fair will be missed.

Let me explain why. The Fair is more than just a stimulating activity for boys and units. It is an opportunity for Chicago Area Council Scouting to demonstrate its size, strength and influence for good to Chicago-land. Therefore, if we have less than full participation, the image we reflect will be less than our best.

We all recognize our needs to grow and expand. We can only accomplish growth by interesting more people and securing more funds to support Scouting. The Scout Fun Fair is an important key to our future. It needs to be a 100% effort.
